

People learning to do justice, love kindness and walk humbly with their God.

A Christian community, flowing out of a rich heritage of faith, learning to be **open** and **accepting**, **diverse** and **inclusive**, **broad-minded** and **compassionate**; a place where **diversity** is affirmed and people of different faith traditions, ages, gender identities, theologies and politics are welcomed and valued.

Core Values

SPIRITUALITY

Creating life-giving spaces where people are invited and resourced to deepen their relationship with their God, pursuing that journey in whatever ways are most helpful and meaningful to them.

WELLBEING

Seeking to promote the wellbeing of individuals and society by offering resources to facilitate physical, emotional, spiritual, intellectual and social health. Engaging in the process of forming communities of compassion, justice and hope.

CREATIVITY

Providing spaces for the discovery, expression and enjoyment of creativity including through forms such as music, art, drama, spoken word, written word and nature.

PROGRESSIVE THOUGHT

Ensuring a safe, non-judgemental place for the exploration of diverse ideas and perspectives. Encouraging acceptance of different opinions with sensitivity to the values, practices and beliefs of others.
